## Rustic Appeal

The inspiration for this natural looking table top comes from the Southwestern quarries of America. It is not only full of natural detail, but also simply beautiful. It coordinates with any outdoor environment and will offer you years of virtually maintenance-free enjoyment. Photographed here is the Sandstone table in Matterhorn in a 48" round.

Capturing the look of real distressed wood the Madera table top, pictured on the right, is virtually a maintenance-free option. This rustic top replicates the most intricate details of real cedar planks. The 44" x 84" Oval Madera Table is shown here in Whitewash.

## Naturally Striking

Cast from the pattern and texture of slate this table top photographed here brings to light the appearance only nature could inspire. The natural looking Slate top and natural edge of this functional table top make it a stylish and care-free choice.

Create a sophisticated outdoor retreat with the timeless beauty of our Sorrento table top. The stucco-inspired texture and warm Cocoa Bronze finish of our Sorrento table top is pictured on the bottom right and is detailed with rich copper bands. If you are looking for a more modern alternative, the Lava Nickel finish with pewter toned metal bands makes a bold statement. This elegant top, like all of our tops, are sealed with a resilient Nano-Coating, which produces a scratch resistant and self-cleaning surface.

## *Green Living*

Healthy outdoor living means protecting the environment and today more designers and consumers are interested in ecologically-friendly designs and products. Sturdy, durable outdoor furniture with a long lifespan is more appealing than “disposable” furniture meant to last only a few seasons.

Just ask around, Homecrest customers are well aware of the longevity of our products. Many consumers have had Homecrest furniture that is over 25 years old, and they are still using it with great satisfaction. Replacement Slings and Cushions are also available to extend the life of your Homecrest furniture. Just visit your local dealer to order new Slings, Cushions, paints, parts and more from Homecrest to make the most out of your furniture.

# *Seating Options*

Florida Sling with Color My Sling® Technology

## **S** Sling

The Homecrest pioneered Sling is constructed of double layers for unmatched comfort and support. The durable outdoor Sling is available in a variety of fabrics and is easily replaceable. Minimal maintenance and comfortable design continues to make the Homecrest Sling the #1 choice from coast to coast. (Shown on front cover).

## **CS** Color My Sling®

Now you don't have to choose between fashion and function with Color My Sling®. This patented tri-sling application of fabric layers ensures the durability and ease of maintenance you'd expect from a Sling while offering the colors, textures and patterns of more traditional fabrics. (Shown on the left).

## **PS** Padded Sling

The Padded seating option features a double layer sling with slight padding for added comfort. This attractive chair with distinctive horizontal lines gives you not only a comfortable fit, but is a stylish addition to your backyard or patio. (Shown on page 14).

Pictured on the inside front cover is the new Butterfly Basket® featuring a newly designed Padded Sling with bordered stitching, is exclusive to the Havenhill and Wescott collections.

## **C** Cushion

Our durable cushions provide additional comfort in a fast paced world. (Includes Padded Seats and Removable Cushions.) These Removable Cushions are water repellant and are available in our most popular collections. We offer both an "A" style cushion, which has no welt (shown on page 13), as well as our traditional "H" style. (Shown on page 12).

## **DS** Deep Seating

Generous proportions and quality materials make our Deep Seating collections both comfortable and luxurious. The comfortable designs of our deep seating group encourages extended sitting. Bring rich style to your outdoor setting with our resilient collection of outdoor fabrics. (Shown on page 6-9).

## **SP** Strap

Designed with function in mind our Strap collection is one of our seating groups that is preferred by those that demand the utmost in durability. There is virtually no maintenance when it comes to strap furniture. (Shown on page 33).

## **M** Mesh

Our Mesh collections are available in all of the Homecrest finishes. This group is essential for any low-maintenance patio and offers extreme durability. Some mesh pieces are available with optional Removable Cushions. (Shown on page 37).
