HOMECREST™ OUTDOOR LIVING

EXPANDED MESH | ALUMINUM | COMMERCIAL GRADE

Made in the USA · www.homecrest.com

Our Elevate mesh collection puts a twist on our classic visual designs, while adding features that make it the ideal choice for hospitality, workplace, rooftop, and balcony environments. Crafted with solid aluminum frames for added weight and resistance against strong winds, these pieces have a unique shape that makes both the armed and armless units fully stackable. In addition, this collection is resistant to salt, sun, snow, and anything else nature can throw at it.
