*Units are not standalone pieces. We recommend using end units with arms on all modular configurations due to exposed brackets on armless versions.

Available in: C Cushion

► SELECT YOUR CUSHION TYPE

Choose from either a DreamCore (XXX-DC) or UltraCore (XXX-UC) cushion with a curved panel design for this collection. DreamCore offers a fuller, softer sit, while UltraCore provides a streamlined look and firmer support. For contract, we recommend the UltraCore cushion.

Cushions are secured to withstand wind and ensure long-lasting performance.
